“Teaching children how to count is fine, But teaching them what counts in life is prudent.”

-Alexander Trumpet

The magazine INSIGNIA 2019-20 serves as a mirror to reflect the glimpses of our Annual Achievements. The accession of Ashoka Hall Senior Secondary School marked its footprints in the year 2001. I cherish the allegiance placed in us.

"Life is a dance of time and energy, keeping the two in good rhythm is the beauty of life."

It is very heartening to see our institution shine brightly among all other top schools in the town.

To provide the best learning environment for the Heart and Soul of the school-"ITS CHILDREN" is our prime concern. The process of education competes not only with Excellence in Academics but also with Co-curricular activities.

"Where knowledge depletes Talent Handles"... and hence we emphasize on the exposure of the latent talents of our children. Skilled efforts coupled with guidance, elevates the communication skills, poetic prowess, imagination and creativity, humor and humanism.

We ensure to equip the students with deep insight of perfection along with basic knowledge of life skill learning. Success is our final destination, to attain what we aspire, master what we desire in our dreams. We pursue with

passion. Passionate people strive for the best and it is this pursuit for excellence is where "WE" differ. The reinforcement is laid on the development of Self Esteem, Self Awareness and Self Confidence of each individual at Ashoka Hall. All this is honed by us through experiential learning. We believe in giving wings to our students with ingrained moral values which is synonymous with the School Motto "RISE TO PERFECTION".

At Ashoka Hall, we brush, polish and nourish our students so that they can flourish their own garden of thoughts and talents, and master their independence. The perpetual energy movement and enthusiasm permeates through the atmosphere in the school. To walk hand in hand with technology, is the 'Need of the Hour'. We encourage the young minds to constantly thrust on the cutting edge of technology.

I extend my thanks to all the contributors in this endeavor. I take pride in my efficient faculty members for rendering their services and abiding by the ethos of the school. I, primarily feel grateful to all my resources for permitting me to Dream Big! May God shower his Divine Grace and blessings on each one of us so that we continue our journey for creating "TOMORROWS" with faith and integrity.

Precious words

Believe you can and you're half way there.

## Principal's Message

Open the Door for Enriching Encounters;  
View Life through a Sunnier Filter.

Greetings!

**I**t is my ardent pleasure to present yet another edition of our school magazine INSIGNIA 2019-20. A child's mind is like wet cement which can be molded by recurring and nurturing, a shell of broad spectrum of learning opportunities and experiences. It eventually gets into nature's most gifted pearl of creative ideas, knowledge and critical thinking that ever revolutionized the world.

I am extremely sanguine that Ashoka Hall Sr. Sec. School since its genesis 2001, a journey of 19 years has offered itself as a Home for sheltering and fostering young minds in their raw state, to shape and mould them into powerful innovators and brilliant scholars. We, at Ashoka Hall emphasize on rooting our students firmly into a fruitful blossoming, by harnessing unbound talents of the young learners with unique needs. This is accomplished by a levitate balance between quality and quantity of our academics and Extracurricular activities. Children are exposed to a plethora of activities for their judicious all round development with an amalgam of ethics and technology. Here, I will acknowledge all the educators of our institution in their endeavour to unfold and reveal the potential of each learner. They strive indefatigably to process the heart of education. The credentials of the school speaks for itself through the success of the students who leave their trail on the traditional and uncharted fields with unprecedented success in every conceivable field. The school has given 100% results in the Board classes.

Learning equipped with technology has unleashed a trail of glorious feats for us. The digerati conform rapidly in today's competitive world. With each passing year, our value based education with impetus on sound character, reap ambassadors of personal ethos and principles.

I would seize the opportunity to express my gratitude to the crusade of the founder members and acknowledge the vigorous and tenacious attempts put in by the invincible fraternity, to the parents and learners and the mentors of extra-curricular activities, as we all reflect the core of fruitful relationships. Isn't it rightly said 'A flower makes no Garland'.

Mrs. Shaily Pillai  
Principal

My message for Ashokites.

## Headmistress's Message

"The best way to predict your future is to create it"  
Abraham Lincoln

**W**elcome to yet another year of universal experience at Ashoka Hall School. Last year was truly an amazing year with students aspiring to achieve towards greater heights.

Today, the role of a school is not only to pursue academics excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. At Ashoka Hall, We provide an atmosphere to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible in a holistic, student-centric environment. The talents, skills, and abilities of each student need to be identified, nurtured, and encouraged so that he / she is able to reach greater heights. Students need to be provided with a platform to think, express, and exhibit their skills. It is necessary to empower them to negotiate several issues that confront them, with the teacher being a facilitator.

The school is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children. Converting every individual into a self-reliant and independent citizen, the school provides an amalgam of scholastic and co-scholastic activities.

No wonder, a student harnessed in such an atmosphere has every hope and possibility of becoming a responsible, balanced and a mature adult and is able to contribute and shoulder responsibilities of the society, of which he forms an integral part.

I, take this opportunity to thank all the parents who have reposed their faith in our school. We assure to do our very best always.

"The school always thrives its best to maintain and provide the highest quality of academic standard'.

Ms. Shraddha Khare  
Headmistress

## Advisor's Pen

**You don't have to be great to get started.  
But you have to get started to be great.**

**T**he good news is that you are the pilot of your life and the bad news is that time flies. Very often many of us live with more awareness of our limitations than our potentials. We had many beliefs, right or wrong, what we could do. Not all of them have been proactive. The time to change that, is Now!

We give our students a new program to download their subconscious minds. Let them know they are capable of anything they set their minds to. Wherever you are is the Entry point.

To mark their growth, unfold their imagination and give life to their thoughts is what We at Ashoka Hall, contemplate. A harmonious admix of the fertile minds and their academic potential proves a source to excavate the prospects for the future.

It is mandatory to build on previous successes gradually and cautiously, preserving the progress of every previous step, to manifest greatness.

"We can do big things, by doing small things."

It is the inerrancy of the ebullient staff members to plant the desire of success in them early on, so, they'll be unstoppable. It is a shared journey, we all learn together, we make an unparalleled expansion.

**I**t has been a bonafide pleasure to be a part of this team, which works to enlighten and promulgate the adroit scholars.

Here, we steer to create an aura of ecstasies in the corridors of the school. The management is geared towards empowering students with divine wisdom, purpose, insight and to follow an enlightened path. We help the students to reclaim their inherent powers to rise above challenges, to make a positive impact, move forward in quest of their dreams while serving the greater good.

We pledge to persistently fortify our students with innumerable accomplishments and set the wheel on the track of terminus. The whole purpose of education is to turn mirrors into windows. Learning is not

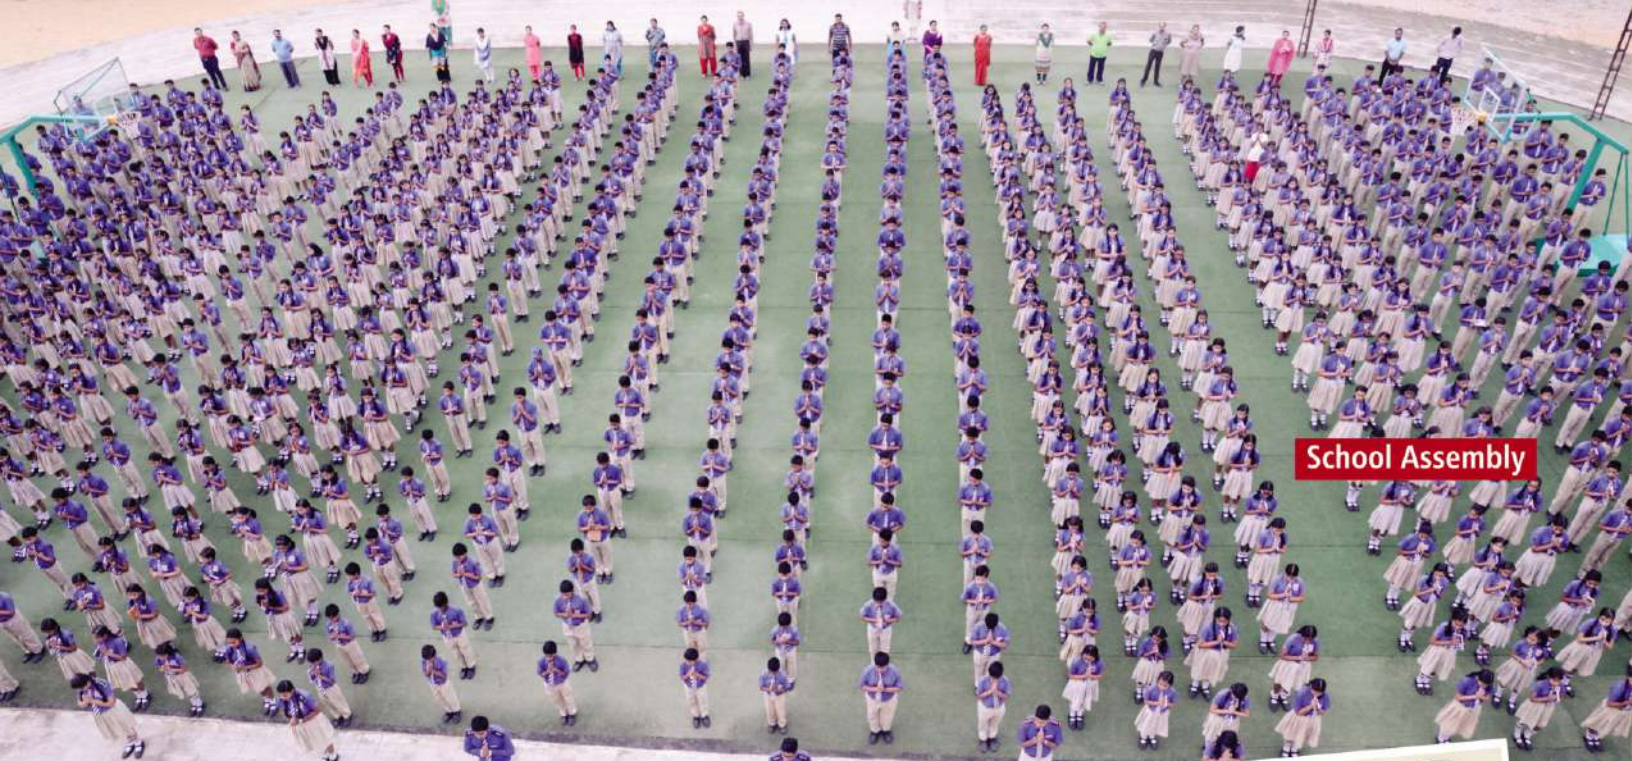

attained by chance, it has to be sought with ardour and diligence. We desire to see our students of each passing session insist on knowing, be cognitively rich and unlock their calibre.

The monumental and unanimous efforts of the efficacious staff members aim to reduce stress and peer pressure, enhance confidence and instil the young spirits with buoyancy.

Creativity is intelligence having fun. The school magazine has tried to reflect the Kaleidoscope view of learning adventures, activities, write ups and all possible. Things workout best for those who make the best of how things workout.

# About The School

The whole movement of life is *Learning*

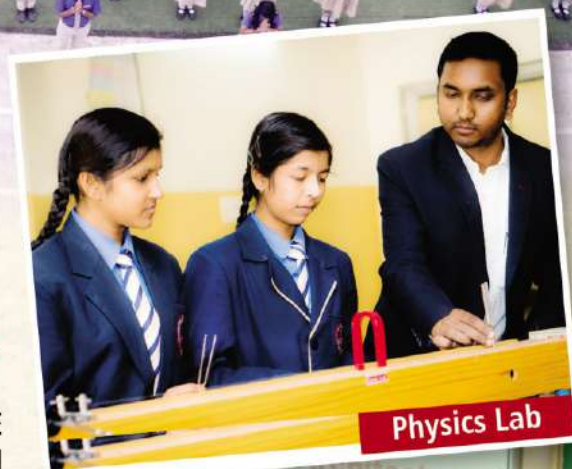

The humble beginning of Ashoka Hall School was in the year 2001. It is CBSE affiliated from classes I to XII. The school has an affluent and a colossal infrastructure. Although it has not been long since the school opened its doors, yet it is ranked as one of the most progressive schools.

The classrooms are capacious, full fledged and digitized. The 3 acre paizza ,regal green premises of the school reinforces ideal learning environment. The school houses four perky multimedia rooms along with a vivacious computer lab; well equipped and well lit Maths and Science labs accessible to students. The provision of a Counseling cell to ensure emotional and psychological health. The school is privileged with the instauration of ATL(Atal Tinkering Lab) which grooms the learner's aptitude of Scientific knowledge to excel in its approach.

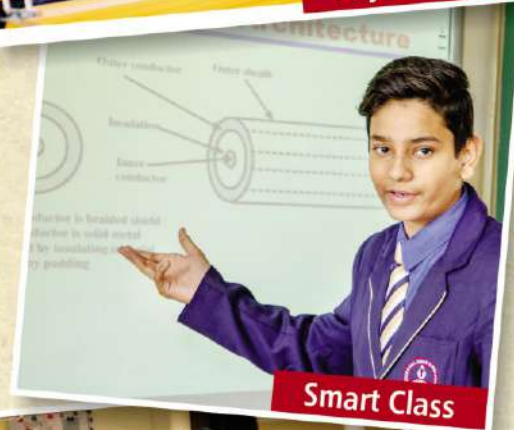

The school is very mindful of the role of Physical Education in the curriculum. Medical ministrations: Dental Check-Up and Ophthalmology is catered timely. The School stimulates interdisciplinary and experiential learning to strengthen conceptual knowledge, which is meaningful and transferable.

To conclude, our most prudent endeavor is to facilitate a life- long love for knowledge proffered and to nurture the spark to be sensitive to the world.

The sedulous School fraternity oaths to foster the young buds into global citizens. A sense of belongingness is instilled, as you walk in the arcade of the academia.

Pegasus, the winged divine horse stands for optimism , positivity and energy. With qualities to outshine, the house exhibited its brilliance by bagging many prizes in literary

competitions. The house mates portrayed their zeal and teamwork in various field events.

The house mates along with their house teachers took determined steps to give their best in all endeavors. We believe that 'When you lose, don't lose the lesson.

Mythology claims to symbolize the Unicorn with magical transformations that benevolently gives the power to believe 'Anything is Possible'. This belief helped the house to ace

almost all the inter house competitions literary, cultural and art. Thus, the Unicorn house breezed

through 'The Best House' title of the year. The house members had knuckled down from the beginning of the session and it paid off!!

The color red is the most dynamic and passionate color . Similarly the students of the house are energetic, impulsive and strive for success. Their desire to experience triumph,

leads to constant activity . Round the year, the house showed its versatile skills in various song and dance

competitions. The house bagged many prizes and fosters not to leave any stone unturned to mark its presence in any event .Such qualities helped the house win the "BEST MARCH PAST" trophy for the year 2019-20.

"When the one scorer comes to write against your name, he writes not whether you won or lost, but how you played the game." This saying has inspired the students of Phoenix House to always give their best, whether in the field or on the stage. To make efforts, to live the true feeling of competition and never to be pessimistic are some of the tenets

to the students of the Phoenix House. The house managed to serve in both - academics and co-curricular activities. The performance of the students till the end was focused and the students tried innumerable ways to give their best.

Education is an essential part of our lives. We are nothing without knowledge, and education is what separates us from others. The main step to acquire education is enrolling oneself into the best school. It's a great privilege that our daughter Ayushi Kumari studies in Ashoka Hall School which gives her a platform to do better in life and also groom her personality. The school strikes a perfect balance between modern education and vintage architecture. Along with academics, extra curricular activities are also organized regularly in the school. The hard working staff gives time to each child to grow at their own pace which instills confidence in them. The school motto "RISE TO PERFECTION" is truly apt, as the school management and the staff are highly supportive and help my ward towards perfection

Our son came to this school in class IV and since then I do not see any faults in the school regarding study facilities and curricular activities. Now he is in X standard. We are really surprised by the various innovative ideas the school uses to encourage students to study. He became active in sports like skating here, and brought many achievements in it also. We are really happy by the discipline of the school and the effort of the staff. They provide them all the knowledge required to become a humble person in future. We thank the chair person Ma'am Arpita Malpani and the organization of the school to provide all these facilities for the children. They try to do the best for the students in all the spheres. We wish this school will continue to make improvements in academics and in the field of sports and other creative events.

I would like to congratulate the Chairperson, Principal, Staff members of Ashoka Hall School for the success they have achieved in the past decade. The teachers are well educated and trained; who take proper care of every child. Because of the well qualified staff my child has got an excellent platform to showcase his skills and creativity. Being an active participant, my child has always got his teachers backing, who appreciates him in every possible way to encourage him. The staff members always live up to the school's motto "Rise to perfection".

I am sure the school will continue progressing in the coming years and produce shining stars every year for the country. I once again congratulate the school and wish for their brighter future.

I feel myself fortunate that my daughter is studying in such a reputed and esteemed school. Ashoka Hall School is the second home of my daughter Aradhya, where she spends most of the time to do better in life. A wide range of co curricular activities are offered to the students for their all round development. The classrooms are spacious, cross-ventilated with colorful walls and furniture, designed as per the age group requisites. The curriculum extremely well designed which encourages the students to become confident in grooming their personalities. I extend my gratitude to the Management, Principal and the entire faculty at Ashoka Hall School for bringing the best out of our kids and making them responsible, knowledgeable, self-confident and independent individuals.

I owe all my gratitude to my school Ashoka Hall. I remain indebted for all their endeavors. The faculty has been supportive, inspiring guides and also challenging task-makers. The peer group at our school was intellectually stimulating and some of them are my friends till date . It is the only school where the objective of education is not business. Talent is nurtured by the great mentors, who devote their lives to incorporate self actualization and analytical mode to help the learners. Ashoka Hall nurtured me and made me what I am today. Ashoka Hall reared me up to be more disciplined in all walks of life. It helped me to grow not only professionally but holistically as a good human being. A Thank You would be a very small word for all they have done for me... but the plethora of expertise I have acquired is surely beyond words...

**BHAVESH SINGHAI**  
2018-19

It was a pleasure for me to spend the most precious days of my life at Ashoka hall. The faculty of the institution is excellent, experienced, cooperative as well as supportive. It continuously kept on encouraging us to reach our goals. The best part of the school was not only academics but also provide varied extra curricular activities. The events of sports are organized annually at all levels. There are many students who have brought laurels to the school in different fields of sports at state and national level in different field of sports . The faculty feels responsible for upgrading their students to their best. This enables the students to develop into outstanding personalities and take judicious decisions to tackle the world. When I look back and think of my school days, several fond memories flood my mind leaving me with a sense of pride for having been a part of such an esteemed institution. "Thank you Ashoka Hall" for grooming me into a competent individual.

I've read somewhere that an individual's intellectual and social stimulation begins from School. Today , when I think of this statement , I realised it is cent percent true. I will forever be grateful to Ashoka Hall because here I've learnt to grow , fall and then rise again. I will forever miss it. It is hard to express my seven year's journey just in a para because I shall be obliged to this school till eternity. They have given me a platform and helped me to understand that for me Sports is the best career option. They provided me with millions of opportunities which led me towards earning lots of achievements. Very hard to say goodbye because half of my life was here in these classrooms , swings, lunch breaks and specially my Shimla tour ! It was such a tremendous , unforgettable and cosmic experience . Teachers here are just like my second parents they've been with me through thick and thin and helped me at every stage of my school. The moral values of Ashoka Hall taught then , I still hold true , all this has made me what I am today!

## Oh no ! Exams !

The Most dreadful times  
have now arrived,  
mugging up the lines,  
I feel sleep deprived.

I have lost my hair  
and some weight too.  
No time to take care.  
I now have weekdays blues.

It requires acute concentration,  
for all the applied calculations,  
Aah! I feel so much stress and agitation.

My Days of playfulness  
are turning into botheration.  
Oh please! God please !  
Help me get rid of these examinations.

## my Mommy

You brushed my hair and make me laugh  
You never let me down even for a time and half  
You took me for ice cream and brought me barbies too,  
Mummy, there is no one quite like you.

You listen to me talk about the dramas,  
then taught me how to handle it with poise and class.  
And you spoke to me of things you know,  
You made me grow not as fragile as glass.

You are kind and gentle and pretty and smart.  
You sacrifice for us with all your heart.  
You teach me so much to which I can never thank you enough  
I know you would stand by me in the Rough.

## Guess my friend

Bosco ! Bosco !  
and he is ever ready for the stroll.

Sniffing the pests with his strong muzzle,  
Carefree, the shoes, he would always trample.

I know you must have guessed my friend,  
Someone who will be by my side till the end.

## Sky High

I want to fly high and touch the giant Sky.

I would spread my wings like a bird  
and take a flight  
to clear my vision blurred

I would shine bright like the colours of the  
rainbow  
a time will come when to the world I'll show

I flew up high and touched the giant Sky

## बेटी

कलियों को खिल जाने दो,  
मीठी खुशबू फैलाने दो,  
बंद करो उनकी हत्या  
अब जीवन ज्योत जलाने दो॥  
कलियाँ जो तोड़ी तुमने,  
तो फूल कहाँ से लाओगे?  
बेटी की हत्या करके तुम,  
बहु कहाँ से लाओगे  
माँ धरती पर आने दो,  
उनको भी लहराने दो,  
बंद करो उनकी हत्या,  
अब जीवन ज्योत जलाने दो॥  
माँ दुर्गा की पूजा करके  
भक्त बड़े कहलाते हो,  
कहाँ गयी वह भक्ति,  
जो बेटी को मार गिराते हो,  
लक्ष्मी को जीवन पाने दो,  
घर आँगन दमकाने दो,  
बंद करो उनकी हत्या,  
अब जीवन ज्योत जलाने दो॥  
बंद करो उनकी हत्या,  
अब जीवन ज्योत जलाने दो॥  
अब जीवन ज्योत जलाने दो॥

## माता पिता

बंद किस्मत के लिये कोई  
ताली नहीं होती,  
सुखी उम्मीदों की कोई  
डाली नहीं होती  
जो झुक जाये मां बाप के चरणों में,  
उसकी झोली कभी  
खाली नहीं होती.....  
माता पिता हमारे रक्षक हैं,  
माता पिता ही हमारे भगवान हैं,  
उनके बिना जीवन संभव नहीं,  
यह हमारा सबसे बड़ा सम्मान है.....  
सब कुछ मिल जाता है  
दुनिया में मगर,  
याद रखना कि बस  
मां-बाप नहीं मिलते  
मुड़झा कर जो  
गिर गये एक बार डाली से  
ये ऐसे फूल हैं जो फिर नहीं खिलते।

## स्वच्छ भारत अभियान

स्वच्छ रहे ये देश हमारा  
लगे जहाँ में सबसे न्यारा  
मिल जुलकर हम करें सफाई  
इसी में सबकी है भलाई  
कुड़ा कचरा ना सड़क पे डालो  
बीमारी को तुम ना पालो  
मिलकर हम सब पेड़ लगाएं

पर्यावरण को हर भरा बनाएं  
जगमग जगमग सड़कें चमके  
देश हमारा दुनिया में दमके  
आओ मिलकर हम कसम ये खायें  
स्वच्छता को खूब अपनाएं  
सब मिलकर ये करो इरादा  
स्वच्छ रहे ये देश हमारा

## प्रकृति

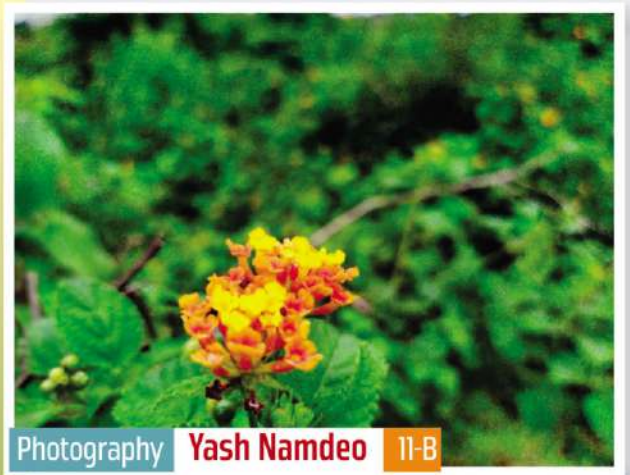

हरे-हरे खेतों में बरस रही हैं बूंदें  
खुशी-खुशी समाया सावन  
भर गया आँगन।  
ऐसा लग रहा है जैसे  
सब कलियां खिल गयी कैसे

ऐसा कि आया बसंत  
लेके फूलों का जश्न।।  
धूप से प्यासी मेरे तन को  
बूंदों ने दी ऐसी अंगड़ाई  
कूद पड़ा मेरा तनमन  
लगता है मैं हूँ एक दामन।।।  
यह संसार है कितना सुंदर  
लेकिन लोग नहीं उतने अकलमंद  
यही है एक निवेदन  
न करो प्रकृति का शोषण।।

## पापा

पापा पापा ओ मेरे पापा,  
सबसे प्यारे मुझे तुम हो मेरे पापा।  
छोटी थी जब दुनिया में आई,  
गोद में लिया था तुमने मेरे पापा।  
तब से बन गई थी, मैं पापा की दीवानी,  
मैं तो हूँ अपने पापा की प्यारी-प्यारी रानी।  
पापा पापा ओ मेरे पापा...  
शब्द पहला निकला मेरे मुख से था - पापा पापा,  
सुन रहे हो ना मेरे पापा।  
उंगली पकड़कर चलना सिखाया था,  
जो मांगा, पल में है वह पाया।  
वह गुड़िया ला दो,  
कार-स्कूटर एक मेरे खिलौने का कमरा दी सजा दो।  
पापा पापा ओ मेरे पापा...  
जहां भी जाऊं लेने आप चलते थे,  
अंगरक्षक की तरह हर पल मेरे साथ खड़े थे।  
मेरी छोटी से बड़ी हर खाहिश को पूरा करते थे,  
एक बार भी ना उदासी को मुझे छूने देते थे।  
पापा पापा ओ मेरे पापा...  
अब पैरों पर खड़ी हो गई हूँ पापा,  
जीवन के हर ढंग को झेलने के काबिल हो गई हूँ, मेरे पापा।  
कैसे करूँ तुम्हारा शुक्रिया ओ मेरे पापा,  
दिल की गहराईयों से है प्यार मुझे तुमसे पापा।  
मैं आपकी रानी, आप मेरे दुनिया के सब अच्छे पापा।  
पापा पापा ओ मेरे पापा,  
पापा पापा ओ मेरे पापा।

## होली है !

गुब्बारे, पिचकारी, पानी और रंग,  
होली खेलेंगे हम इनके संग।  
मौज और मस्ती करेंगे हम,  
रंग-बिरंगी होली मनाएंगे हम।

पानी से भीगेंगे हम,  
दोस्तों पर डालेंगे रंग।  
जलेबियाँ, गुजियाँ, मिठाइयाँ खाएंगे हम,  
होली मनाएंगे हम।  
होली है! होली है!
